- 25X1X 1. The entire education of the male youth up to 18 years of age is based on the military approach. All boys are armed with wooden rifles and every male who has completed his public school education is under obligation to participate in these maneuvers. Sales clerks and students employed in industrial enterprises are under the same obligation. If a youth misses three such maneuvers without a plausible excuse, he is sent to forced labor work in Kovcevlje. If the employer does not allow the student to go to the maneuvers, he is fined 20,000 dinars.
2. In addition to practical maneuvers, students are given theoretic training concerned with the Yugoslav Constitution; the history of the national wars of liberation; and the history, role and significance of the Yugoslav Communist Party.
